Boats Return for Riverfest Regatta

Despite the heat and rising cost of fuel, four boats made their way to Augusta for the 2013 Riverfest Regatta held this past weekend. Members of the VFW Post 9535 are shown at attention during the singing of the National Anthem by Leah Frederick. The paddleboat, P.A. Denny, is shown in the background returning after several years away from the event. Also making the trip this year were the Port Explorer, the Rufus B II, and the Sewickley. The Don Rob't and the Dresden Belle experienced problems and were unable to attend.

The opening ceremony was the official kickoff for this year's event as the traditional Miss Riverfest Regatta pageant was not held.

Returning for his seventh visit, Mike Monk, former Captain of the Don Rob't was honored as this year's admiral and was named a Kentucky Admiral by Rep. Mike Denham.

The weekend continued with a car show hosted by the AA Cruisers on Sunday and the Baby and Tiny and Little Miss and Mister shows.

Farm Bureau Fish Fry this Friday

The annual Bracken County Farm Bureau Fish Fry will be held on Friday night, July 26th at the county extension office on KY 10 east of Brooksville. Serving time will be 5 to 8 p.m. Adults will pay \$4.50 and the children ages 6-12 will be charged \$2 and under age six will eat free. All you can eat for the price of one ticket if eating in. Go back for refills as often as you wish. Everyone is welcome to attend.

Menu will consist of fish, cole slaw, chips, pickles, and drinks. Carry out will be available. Cannot get fish alone.

Cruise-in benefit planned for Doss family

Plans are being made for a August 17th Cruise-In to benefit the Doss family who lost five family members in a tragic fire on July 13th.

Anyone or group that would like to help can contact: Mayor Hester 606-217-1500; Roger King 606-407-3533; Sarah Carl 606-782-2881; Karen Moser 606-782-2732; or Tonya Berry 606-735-3700.

Community Day Impromptu Auction to benefit Doss family

Feeling the need to help the Doss family after an early morning fire on Saturday, July 13th, Community Day attendee Jim Fields donated back a blackberry cake for auction that he had won as a door prize. Phyllis Penick, retired from Action Realty in Falmouth, served as auctioneer, and once the bidding began, it did not stop until Ron Thornbury had donated \$525 for the cake made by Mary Ann Cooke. A country ham was then donated back to the auction and was purchased by a representative of the Milford Christian Church for \$300. Additional donations were accepted. The total raised that day was \$1339. A fund has been set up at the First National Bank to help with funeral and medical expenses and all donations are appreciated. Tragically five members of the Doss family perished in the fire and the father, Keith Doss, remains hospitalized at the University of Cincinnati. Last Friday, July 19th, a Zumba benefit for the family was held in Germantown. A "Fallen Angels Bike Ride" will leave from the Powersville Christian Church on Saturday, August 3rd at 11 a.m., (see page 3 for details) and a cruise-in is planned for Saturday, August 17th in Brooksville (see article at left for details).

Come to the Germantown Fair all next week

This time next week the Germantown Fairgrounds will be alive with action. They will have Livestock Shows, Pageants, Baby Shows, Floral Hall, Motor Sports activities and Horse Shows. Events begin on Monday morning, July 29th at 10:30 a.m. with a District Swine Show. The Saturday night, August 3rd Mud Sling will probably run way up into the night. The ever popular Red Dragon Laser Tag has been rescheduled for MONDAY evening, July 29th beginning at 8 p.m. and is free to fairgoers. On Saturday evening beginning at 6 p.m. the KY State Fair Bears will be roaming the grounds.

The Germantown Fair is a pay one price event. The cost of admission is \$8 plus a dollar to park. The carnival will open each evening at 5 p.m., weather permitting. There are several ways to get information on the fair; the website is www.freewebs.com/germantownfair. You can also Like them on Facebook at two sites: The Germantown Fair and GermantownMotorsportsFair.

Catalogs are available at Dean's Pharmacy, Southern States, Miller Home Center, Allmark Sales in Brooksville; the Bracken County Extension office; Parkview Inn, Bradford's Home Mart, US Bank and Miller Lumber Company in Augusta.

Heartfelt Thanks From The Coroner

On behalf of the Bracken County Coroner's Office, we would like to express our sincerest gratitude to all those first responders and community members who assisted at the house fire in Powersville. Special thanks to the Bracken County Sheriff Office, Kentucky State Police Detectives, State Fire Marshall, Bracken County Constables, Bracken County Ambulance, Augusta Fire Dept, Brooksville Fire Dept, Germantown Fire Dept, Scott County Fire Dept, Jefferson Co Search Dog Assoc., Bracken Co Water District, Kentucky Utilities, Northern Ky Medical Examiners' Office, Bracken Co Emergency Management, Bracken Co Maintenance Dept, State Representative Mike Denham, and Assistant Judge Scotty Lippert. Also, our sincere thanks to our local American Red Cross Chapter, Powersville Baptist Church and members, Subway and Lee's IGA. The compassion, dedication and teamwork shown by all of the individuals who assisted in this incident was typical of our community and our state, and it is an honor to work with such wonderful individuals and organizations. They truly are our local heroes. Our thoughts and prayers continue for all those involved, especially the family and friends of these victims and survivors impacted by this tragedy. God Bless each and every one of you.

Thoughts and Meditations from the Scriptures

VISIT THE IMPRISONED

This corporal work of mercy is a difficult one for many to embrace because of justifiable feelings of sympathy for the victims of crime. But, visiting and helping the imprisoned does not in any way diminish the rights or dignity of the victims of crime, and in many cases, there is no clear victim of crime. Many inmates in U.S. prisons are there for possession of illegal drugs, and they are the true victims of their own crimes, and even when there is a victim, the criminal always harms him- or herself as well by committing a crime. Worldwide, there are many who are in prison for political reasons or issues of conscience. Some of the values which we should bring to bear on this issue are the dignity of all human beings, the need for and possibility of conversion, and trying to enhance the common good. There are many programs which focus on prison outreach and job training for inmates, and there is much that we can do, both individually and as a society, to help the imprisoned make a transition to a more productive, satisfying life. We should learn about programs in our area where we can help the imprisoned, and support policies and programs which give those who have served time a reasonable chance of leading a good and productive life.

— Christopher Simon

"Then they also will answer, 'Lord, when did we see thee hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to thee?' Then he will answer them, 'Truly, I say to you, as you did it not to one of the least of these, you did it not to me.'" - Matthew 25:44-45

Child Find for Children with Disabilities in Need of Special Education or 504 Services

7/31/2013

Child Find

The Augusta Independent School District keeps educational records in a secure location in each school and Board office.

The Augusta Independent School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Augusta Independent School District may destroy the educational records of a child without parent request seven years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Augusta Independent School District may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities and four-year-old children who are at-risk, as defined by federal poverty levels up to 150%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Augusta Independent School District has an ongoing "Child Find" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Augusta Independent School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Augusta Independent School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Augusta Independent School District collects the information needed. The information the school district collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Augusta Independent School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call 606-756-2105 or send the information to:

Director of Special Education
Augusta Independent Schools

Section 504 Coordinator
Augusta Independent Schools
207 Bracken Street
Augusta, KY 41002
Ph. 606-756-2105

If you know of a child who attends a private or home school within the boundaries of the Augusta Independent School District, who may have a disability, and may need but is not receiving Special Education services, please call 606-756-2105 or send the information to: Director of Special Education, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002. Ph. 606-756-2105

"Child Find" activities will continue throughout the school year. As part of these efforts the Augusta Independent School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially.

Written Policies and Procedures have been developed which describe the District's requirements regarding the confidentiality of personally identifiable information and "Child Find" activities. There are copies in the Principal's office of each school, and in the Board of Education office. Copies of these Policies and Procedures may be obtained by contacting: Director of Special Education, Augusta Independent Schools, 207 Bracken Street, Augusta, KY 41002. Ph. 606-756-2105

The District office is open Monday through Friday, from 8:00 a.m. to 4:00 p.m.

The Augusta Independent School District provides a public notice in the native language or other mode of communication of the various populations in the geographical boundaries of the District to the extent feasible.

If you know of someone who may need this notice translated to another language, given orally, or delivered in some other manner or mode of communication, please contact the Director of Pupil Personnel, the Director of Special Education or the Section 504 Coordinator at the address or phone number listed above for the Augusta Independent Schools.

HANNAH CUMMINS WOMEN ON MISSION

Hannah Cummins Women On Mission met in Augusta at the newly opened Bravo Cafe' along the scenic Ohio River for their June meeting. Tina Wolfe, Virginia Bowles, Karen Wright, Amy Cooper, Carol Klaber, Mae Jo Flaughter, Susie Perkins and Evelyn Cooper enjoyed a leisurely lunch and delicious banana pudding as dessert, using former member Faye King's recipe.

During the program Tina Wolfe inspired the group as she encouraged each of us to *Speak The Truth Into Darkness*. Be bold as Christians during our daily walk and witness with the Lord. Eunice Brooks entertained us with experiences her grandson, Clayton Brooks, is having as a summer missionary in the Philippines. Please remember to keep him in your prayers. Tina closed the program with missionary birthdays and prayer.

Pres. Karen Wright opened the meeting with the watch word, Acts 4:20. Secretary & treas. reports were given along with committee reports. Willow Baptist Church reached their goal for the Annie Armstrong offering. A goal of \$500 was set for the Eliza Broadus offering. The meeting closed with prayer encouraging the ladies to be a light in their community.

TRASH TALK

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! Part of this article is being penned from Meadowview Hospital as we wait for son Matthew's surgery to remove the kidney stone that became impossible to retrieve last Thursday, the same day that Bin's hernia was repaired. It seems that this has been the summer of surgery in the Jefferson family! Three weeks ago granddaughter Abigail and her Dad motored to Iowa for a Soccer Tournament which was cut short due to emergency surgery in the Des Moines Children's Hospital for appendicitis. Shortly thereafter granddaughter Alyssa underwent surgery to repair her torn ACL and ironically, the stitches from that procedure were removed this past Thursday. Matthew is now recovering and let's pray that this concludes the 'surgery chapter' of the Jefferson's story for a while! We do pray for all those who are patients in hospitals and appreciate all the dedicated doctors and nurses who care for them!

Last Wednesday we met with the Division of Waste Management for the Buffalo Trace Area Tire Amnesty to discuss the fall amnesties. Our Bracken County amnesty dates are October 24th, 25th and 26th from 7:30 AM until 4:00 PM each day. As in the past, tire dealers of any kind are not eligible to participate in these amnesties, but there will be more information forthcoming.

Recently we had a call regarding the disposal of TVs and Rumpke's representative said that "Our standard policy is one large item per week and we do request that residents call ahead. However, we do often discourage folks from setting out old televisions if they contact our Customer Service line. In Northern Kentucky and across the river there are some programs set up to take old televisions." He went on to say that Rumpke can take TVs at the

curb and if the company has been called regarding pickup of a large item, there should not be any problems.

In our January 24th article we told you of a new type of 3-D Printer that used plastic filament to actually create an item that has been copied. That technology was put to use in 2012 when doctors in a Michigan Children's Hospital were able to use plastic particles and a 3-D Laser printer to create an airway splint to save the life of a baby boy who used to stop breathing nearly every day. After "printing out" 100 tiny tubes in various shapes and sizes the doctors received special permission from the Food and Drug Administration for this medical first to implant one of these tubes in the baby. The plastic used is designed to degrade and gradually be absorbed by the body over three years as healthy tissue forms to replace it. The little boy is two years old now and doing quite well due to the 3-D printer. Our original article explained that these 3-D printers will become available to average citizens and the plastic filament used to create the object will be derived from plastic bottles. We remain truly amazed at the staggering amount of technology available to modern man!

These technologies are frightening to some of us more mature citizens, but while in the hospital this morning, Ms. Bug did learn the basics of texting! That's not to say this is knowledge that will be used on a daily basis, but at least now a return message can read more than "ok"! While our message to you is more labor intensive, we hope everyone can (with little technology needed) RECYCLE, REUSE and REDUCE to keep God's earth clean, green and beautiful! Be seein' you – *Bin & Bug.*

AIS activities heating up with school approaching

The start of school is quickly approaching, and with that comes some important dates and events at Augusta Independent. On Tuesday, July 30, new student registration will be conducted from 9 a.m. to 2 p.m. Any student new to the district is encouraged to register this day. Yearbooks can also be picked up this day from 10 a.m. to noon in the office.

The annual Open House and Read-I-Fest is scheduled for Friday, August 2, from 4 to 6 p.m. There will be a number of services and products available for students and parents. Class schedules will also be given out during this time, and teachers will be available for students and parents to meet. Yearbooks can also be picked up in Mr. Litteral's room during this event.

School begins for students on Wednesday, August 7. Fall pictures are scheduled for Tuesday, August 20. The district is pleased to announce that Lifetouch will be providing the picture services this school year. For more information on any of these events, contact the school at 756-2105.

Kindergarten Registration at Augusta Independent

Augusta Independent Schools will be hosting Kindergarten Registration for the 2013-2014 school year on Wednesday, July 24, 2012 from 10:00 am to 5:00 pm. **Beginning in the 2013-2014 school year, all students enrolling in Kindergarten in the state of Kentucky will be administered the Brigance Screener for Kindergarten readiness. The screener will be given to your child on the day of the registration. Please keep in mind, this screener does not exclude entry into kindergarten! The screening will take approximately ten minutes, and an appointment is not necessary.** At least one legal guardian must be present with the child.

Kindergarten Registration packets will be on hand in the Augusta Independent School office the entire summer for pickup. Please have the packet filled out and ready on the day of registration. If you have any questions/concerns, please call Augusta Independent School at 606-756-2105.

A SPECIAL THANK YOU

From The Bracken County Extension Homemakers

Bracken County Community Day was a huge success due to the generosity and cooperation of so many Bracken County organizations and businesses. The First National Bank of Brooksville again sponsored the delicious meal. The tours were sponsored by the Brooksville Lions Club, Bracken County Chamber of Commerce, Augusta Rotary International, Bracken County Historical Society, Perry Poe Realty/ Eric Fegan, Augusta/Bracken County Tourism, Woodmen of the World Insurance, Kentucky Farm Bureau, and Rudd and Schumacher, Attorneys at Law. Others who were invaluable to the success of the day were the Bracken Co. Board of Education, Bracken Co. School Superintendent, Bracken Co. School cafeteria staff, Bracken Co. High School custodians and maintenance supervisor, and the Bracken Co. School garage staff and bus drivers. The gymnasium was filled with value-added displays and exhibits and non-profit groups. The Bracken Co. Quilt Club provided a fantastic display of beautifully handcrafted quilts and fabric art. The library showcased a beautiful modern collection of White House Christmas ornaments and an interesting collection of Indian artifacts. There was a display of Dale Earnhardt memorabilia, a 1964 gold plated set of silverware from the Ruth Lyons Show, antique books, forks, toys, ladies' hats and postcards.

Of course the day would not have been possible without the various tour sites that were visited. We extend our appreciation to the following: Kevin and Dolly Plummer Home/ Kevin and Dolly Plummer, Baker-Bird Winery/ Dinah Bird, Lunsford Cattle Farm/ Walt Lunsford and Rob Krift, Underground Railroad Guide/ Joanne Teegarden and our Civil War Battle/History of Augusta College tour guide, Bill Baker.

Our Bracken FFA members and their advisor were greatly appreciated for their service to their community, along with Ron Thornbury and Katie Norris for their organizational help. We also want to thank *The Bracken County News* for the extensive coverage given to the event.

We thank all who came to share the beauty, the blessings, and the bounty of Bracken County, Kentucky.

46 qualifying on College Board AP tests at Bracken

On July 10th scores for the College Board Advanced Placement tests were released. Bracken County High School had 46 qualifying scores in English, Math and Science. This is an increase of 25 scores over the previous year. Each student who earned a qualifying score will receive a \$100 stipend from Advance Kentucky. In addition, they will also receive a "POLAR BEAR PRIDE COIN" from the BCHS administrative team.

BCHS Principal Michael Hunter stated "The success on the AP exam is a testament to quality instruction and the commitment to excellence exhibited by our students."

BCMS to hold Open Houses

For those 6th grade students entering Bracken County Middle School for the 2013-2014 school year, a Back to School Bash will be held on August 6th from 5-7 pm for students only. Parents may pick up students, meet, and talk with teachers from 7-7:30 pm. 6th grade students may bring in their school supplies this day to place in their locker. Students will report to the gym at 5 pm. School supply lists are posted on the school web site, on the bulletin board outside school, copies can be picked up at school, and available at the Dollar Store and Maysville Walmart.

An Open House for 7th and 8th graders entering BCMS will be held on August 7th from 5-7 pm. Parents and students may pick up schedules, meet teachers, and tour the facilities.

Litzinger Benefit and Auction to be held Sat., Aug. 10th

There will be a benefit and auction for Jennie Ann (Jelly) Litzinger on Saturday, August 10th at the Augusta VFW. The event will be held from 6 p.m. to midnight with a \$5 cover charge and music by Jetpack Joyride. Jennie has twice beaten cancer and unfortunately is now battling colon cancer. She will be taking chemo treatments for the next 6 months. Currently she travels 6 times a month to Crestview Hills for those treatments. The benefit with auction and silent auction is to raise money for travel to and from her treatments. Monetary donations may be made directly to the "Jennie Litzinger Cancer Fund" at US Bank, Augusta.

AUGUSTA INDEPENDENT SCHOOLS Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

Bracken boys attend Kentucky Sheriffs' Boys & Girls Ranch

Pictured in no order are campers Dylan Mattingly, Jaden Jackson, Noah Teegarden, and Isaac Jensen with Sheriff Howard Niemeier, Deputy Bob Scott, and Ranch Head Counselor Johnny Lewis.

The Bracken County Sheriff's Office took four young boys down to the Sheriff's Boys & Girls Ranch for a week of fun and excitement. The boys attended the Camp from July 7, 2013 through July 12, 2013. The Bracken County Sheriffs' Office is dedicated to providing opportunities to the youth of the county for activities during the summer months. The Sheriff's Ranch gives our youth the opportunity to attend a week of free camp and to meet youth from other communities around the State.

The Kentucky Sheriffs' Boys & Girls Ranch summer camping program opened for their 38th camping season on Sunday, June 9, 2013 with boys in attendance. The camp runs throughout the summer, serving both boys & girls, alternately throughout the camp season.

The Boys & Girls Ranch is a non-profit organization, serving Kentucky's youth through a summer camping program designed to build their self-esteem, while teaching them respect for themselves, others and law enforcement professionals. The camp is free to the campers, thanks to the dedication and support of our Sheriffs, members and contributors. The cost of serving the children is now well over \$300.00 per week per child. With continued support from our contributors, we will continue to reach these most deserving youth.

"In addition to regular camp activities such as camp fires, arts & crafts, nature, sports, swimming, fishing, archery, and many others, the campers also enjoy race cars presented by local citizens, a fire prevention program by the Gilbertsville Fire Department, a drug awareness education program by the Marshall County Sheriffs' Office, and the McCracken County Child Watch program," Wagner said. "It should be a week filled with fun and learning for the campers. We hope the campers create a lifetime of memories during their stay, as well as learn the values of respect and many other life skills."

Boys in attendance the week of July 7th are from the following counties: Barren, Bracken, Caldwell, Christian, Clark, Graves, Henderson, McCracken, Mason, Pendleton, Trigg, Union and Woodford.

For more information about the Boys & Girls Ranch or how you can invest in a child's life and help build Kentucky's youth, call the Ranch at 270/362-8660.

Also during the week Sheriff's Ranch personnel were in the county soliciting businesses for the Annual Sheriff's Office Calendar. If you are interested and were not contacted, you may contact the Sheriff for information about the ads on calendar.

Public Health asks for Statewide Input on Health Assessment Survey

The Kentucky Department for Public Health (DPH) is seeking the input of Kentucky residents for the state health improvement plan. Kentuckians can provide their thoughts and insights into improving the health of the Commonwealth by filling out the online survey at: <http://chfs.ky.gov/dph/CenterforPerformanceManagement.htm> by Aug. 1.

DPH recently drafted the state health assessment to carefully examine the health of the population and identify key problems and assets in Kentucky. The ultimate goal is to provide data to guide decision making for a State Health Improvement Plan.

"The Department for Public Health is asking for your input to decide what priorities to focus on for the Kentucky State Health Improvement Plan," said DPH Commissioner Stephanie Mayfield, M.D. "Once priorities have been vetted with various stakeholders, goals and objectives will then be drafted and used along with other, previously determined goals set forth by various public health partners. We plan to capitalize on progress already achieved in this area and use additional input to broaden outreach and build a healthier Kentucky."

Currently, Kentucky ranks 50th in smoking, 40th in obesity, 50th in cancer deaths and very low in status for many other important health indicators. Overall, Kentucky currently ranks 44th among all states in major health status categories, according to the America's Health Rankings Profile for 2012.

"The main objective of the state health improvement plan is to address these negative health indicators by developing a roadmap to transform Kentucky from a state that consistently reports poor health status to one that supports dynamic initiatives to help Kentuckian's lead healthier lives," said Dr. Mayfield. "Now is the time to make a move in the right direction. Too many Kentuckians are dying from issues that can be prevented. This will take public health, community partners, and the general public to weigh in on the best strategies to move in that direction."

Public input will help DPH and community partners determine what is best for Kentucky. Individuals without computer access can obtain a paper survey by contacting 502-564-3970.

Gov's Cup luncheon and Pitino journey to Charmed Life II top marquee

With fewer than 40 days until Kentucky and Western open the college football season in Nashville, there is news buzz across the land.

News and Views.

NEWS. Coaches Charlie Strong (Louisville) and Mark Stoops (Kentucky) broke bread together this week at the Kentucky Derby Museum to promote the upcoming Governor's Cup.

VIEW. All plus. Does football in Kentucky get any better than ... Strong's team vying for a national title; Stoops waving a magic wand (recruiting) over his program at UK enough to have 49,000-plus show for a spring game?

NEWS. At SEC football media day last week, Kentucky's Raymond Sanders fired the first verbal volley at Western Kentucky football. The UK running back said the Hilltoppers 'disrespected' the Wildcats after a stunning win on UK's home turf last year.

VIEW. Typical bravado to promote the game, but I wonder

if Sanders is running extra laps this week. Considering UK's 2-10 season last year, we can bet coach Mark Stoops had four instructive words for his players here-after. "Shut the hell up!"

NEWS. Best in College Sports Award is home in Kentucky. University of Louisville earned it and everybody else was second by a mile.

CBS Sports.com ran up the Cardinals flag. Men's and women's basketball successes, a Sugar Bowl win; and trip to baseball World Series showcase sports prosperity in the Ville.

VIEW. And Peyton Siva married a beautiful lady at Yum Center. Life is good.

NEWS. ESPN weighed in. An ESPY for Rick Pitino. Louisville's charismatic coach is back at the summit ... best of the best in all sports, the network said.

VIEW. Charmed Life II Pitino is living at UofL. Humiliated in Boston and humbled by a scandal in Louisville, Pitino is back at the summit.

Some will remember Da Coach's Charmed Life I. 1989-1997, pied piper Pitino micro-

managed an era of revival, prosperity and fun at Kentucky like none since Adolph Rupp. Wins and losses came soon enough, but Pitino made his program about The Journey more than winning a crystal basketball. His supreme confidence became contagious. In all years covering hoops I never saw Kentucky fans happier. Pitino's emphasis on "embrace the precious present" soothed even the worry warts whose glass-is-half-empty attitude was symbolized by fret over Richie Farmer's playing time.

Was a golden age when UK teams belonged to fans by way of Cawood Ledford and Bill Keightly. Both are gone now. Kentucky basketball has become D-League, and much of that Old Blue Magic has faded.

NEWS. Seventy-three University of Kentucky student-athletes made the Southeastern Conference First-Year Academic Honor Roll.

Football: Seven; Men's basketball: Six. Qualification: Must have a cumulative GPA of 3.0 or better, be on scholarship, have completed 24 semester hours of non-remedial credit, and been a member of team for the sport's entire NCAA championship segment.

The 2013 SEC First-Year Academic Honor Roll is based on grades from the 2012 summer, 2012 fall and 2013 spring terms.

VIEW. Refreshing. That university officials consider it press release-worthy is good too.

NEWS. Kyle Wiltjer has transferred to Gonzaga.

VIEW. This sort of decision-making should serve him well in the real world. Wiltjer left a comfort zone (Washington State) to play in the eastern time zone, challenged himself at Kentucky, enjoyed modest success, earned an NCAA title ring (and experience), and now has his cake and will eat it too.

Gonzaga assistant Donny Daniels said recently, "(Mark Few) does a great job of role identification. Everybody has a role, and those guys pretty much buy into what we're trying to do to make us the best team we can."

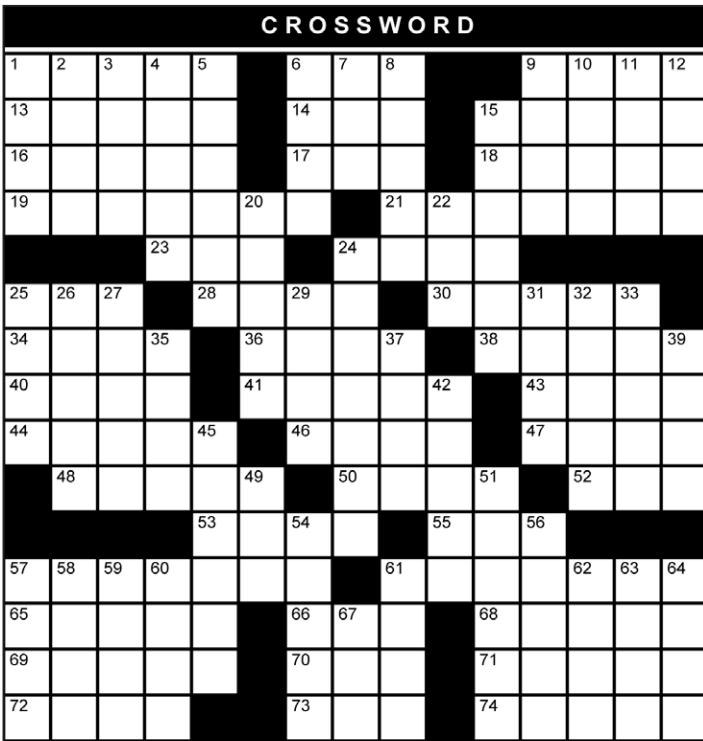

Part of Few's aura is instincts, how players fit into his

NEWS. NBA Phoenix rookie Archie Goodwin scored 20 for Suns in a game last week. In three games the ex-Kentucky player was six-of-six from the 3-point line. Goodwin said he's being going to the gym frequently to work on correcting his shot motion.

VIEW. That first round pick Goodwin is settling into a pro career is a reminder the NBA Players Union and NCAA failed him and fans too, by not allowing him to go directly to play-for-pay, skip college, leave a scholarship for a kid who wants to play college hoops.

NEWS. Keith Olberman returns to ESPN to host a late night show.

VIEW. Brilliant and irrelevant, Olberman debuts Oct. 26. When he grows up – in some ways we hope he never does – Olberman is good enough to have all late night talking heads looking for work.

NEWS. With back-to-back national championship trophies in the case, Alabama coach Nike Saban must be living the wonderful life. Maybe. Earlier this year a rival SEC football coach said Saban is the Devil. Last week he had a new nickname. Robot.

VIEW. More curious than why such stupid remarks rise to the level of reporting, is why editors pass them on to print.

NEWS. Steve Spurrier wants to "pay the players." At SEC media day, South Carolina's coach suggested \$300-a-game. And, Spurrier added, he wouldn't object if funding came out of coaches salaries.

VIEW. The stampede you heard was ball coaches hitting the exits.

WORTH REPEATING DEPT.

Antonio Morrison is a sophomore middle linebacker for the Florida Gators. Last week he was arrested (second time in five weeks). The charge? Allegedly barking at a police dog then resisting arrest.

Suspended for the Gators first two games already, Morrison was asked "why did you bark at a police dog?"

"Because the dog barked first," he replied.

And so it goes.

Shared-Use Equipment Program Approved for Bracken County

\$18,247 in KY Agricultural Develop. Funds awarded

The Kentucky Agricultural Development Board, chaired by Gov. Steve Beshear, approved \$18,247 at its monthly meeting in support of a Shared-Use Equipment Program in Bracken County. The Bracken County Conservation District submitted a proposal to the Bracken County Agricultural Development Council and the Kentucky Agricultural Development Board.

The Shared-Use Equipment Program was established with the purpose of benefitting a high number of

producers who cannot justify ownership expenses associated with certain equipment by helping them access technology necessary to improve their operations in an economical manner. The conservation district will be purchasing a bale wrapper with this award to lease to county farmers for \$75 per day.

For more information about the guidelines and equipment rental, contact Tony Ramsey with the conservation district at 606-735-3256 or donna.rath@ky.nacdn.net.

KFB Pres. Haney statement on national farm bill passage

“The five-year national farm bill recently passed by the U.S. House of Representatives kept the agricultural agenda moving toward sound policy for rural Kentucky and all of America. We thank Kentucky’s Congressional delegation and their staff for recognizing that agriculture must have a strong, effective safety net and for their commitment to working with our organization to serve the best interests of Kentucky’s farmers throughout the farm bill discussion.

“While the bill did pass, Kentucky Farm Bureau’s members believe there is still more work to be done. We look forward to seeing a five-year farm bill come to fruition and having it signed by President Obama, firmly establishing a comprehensive farm policy with the safety net that will ensure a safe and affordable food supply.

“The farm bill obviously has significant impact to farmers, but its reach is

much broader than just agriculture. It supports agricultural research and extension programs, upgrades water and sewer lines, expands energy efficiency programs, and provides the overall infrastructure needed for a variety of other rural development projects. This bill affects all Americans, and we should watch and evaluate the path this bill is taking very closely.

“We understand that strategies important in moving an effective safety net for American agriculture can be difficult. While we don’t think it was ideal to split the farm bill from the nutrition program, we will continue to work with the Kentucky Congressional delegation to see a viable safety net established for agriculture.

“As the House reviewed the farm bill, we were pleased by its vote to proceed under closed rule. H.R. 2642 needed to be reviewed and considered judiciously, but without the addition of

Old Deming High School destroyed by a suspicious late evening fire

Many are sickened by the senseless destruction of the old Deming High School in Mount Olivet. The suspicious fire was noticed after 10 p.m. on Wednesday, July 17, and fire crews from at least ten different departments from surrounding counties were called to the scene. With the construction of the new Robertson County High School, the old Deming School has been vandalized several times since its closing in January of this year. Juveniles were identified in those incidents and arrested for the damages caused.

An official with the Kentucky State Police has identified the Deming High School fire as an arson and that accelerants were located at the front door and on the front steps. The investigator is still interviewing individuals at this time. No suspects have been named.

any unfriendly amendments that would have significantly weakened the farm bill.

“However, we are deeply concerned with the House’s repeal of permanent law that historically served as the incentive for national farm bills to be reauthorized. This action necessitates the creation of an

additional safety net to be established. If not, future sessions of Congress could decide there is no need to revisit national farm policy, and that is simply unacceptable. If current permanent law is repealed, it must be replaced with new permanent law that does not contain any sunset provisions.”

Williams, Wright advance in 4-H Tractor and Lawn Mower Driving Contest

Pictured left to right are Kolton Williams and Paul Wright.

Photo submitted

The District 1 4-H Tractor and Lawn Mower Driving Contest was held on July 16th at the Greenup County Extension Office. In the junior and senior division for the lawn mower contest, participants are required to drive and back through an obstacle course. Junior tractor drivers are required to back a 2-wheel trailer. Seniors have to back a 2-wheel trailer and a 4-wheel wagon. In addition to the driving course, participants in both contests are required to take a written test.

This year Kolton Williams, son of Jeff and Lori Williams of Germantown, took 1st place in the senior division for both Tractor & Lawn Mower Driving.

In the junior division Paul Wright, son of Darren and Tammi Wright of Foster, got 1st place in both Tractor & Lawnmower Driving as well. Both boys have made Bracken County 4-H very proud and will advance to the State Fair to represent our county.

Bracken Co. FBLA Ignites Innovation!!!

Anaheim, California is one of the country’s most popular metropolitan areas—a place well-suited for over 9,000 future business leaders who ignite innovation.

Future Business Leaders of America (FBLA), the largest and oldest business organization, held their National Leadership Conference June 27-30. Conference participants from around the country and the world were in attendance for this great event.

Bracken County FBLA is extremely proud to announce that Alyson Crawford and Diane Poe’s Community Service Project “It Can Wait” earned 3rd place in the nation. Lydia Myers assisted with the project at the regional and state level.

Ema Cooper placed 9th in the nation in Public Speaking II. These ladies competed against over 75 individuals from across the nation and around the world.

The Awards of Excellence program could be seen live on the Internet on June 30 and can still be found at fblla-pbl.org. These awards were part of a comprehensive competitive events program. Individuals, state teams, and local chapters were encouraged to participate in over 50 different events representing a wide range of activities and the business and leadership development focus of FBLA. The winners of these highly competitive

and prestigious awards were selected from among FBLA’s membership of 250,000 students and advisers and represent some of the best and brightest of today’s youth!

Every event is sponsored by companies all around the globe, giving many scholarships and cash prizes. The Community Service project was proud to take home a \$300 cash prize. Alyson, Diane, and Lydia decided to donate the money to the Ryan Monahan Scholarship Fund as Ryan was a big part of our FBLA chapter and competed nationally himself.

Bracken County FBLA was proud to have other competitors at this exciting conference as well. Samantha Bishop, Kody Jarrells, and

Kamryn Sticklen competed in Business Financial Plan; Hunter Boschert in Business Calculations; Savanna Simons and Ema Cooper in Partnership with Business and Local Chapter Business Report; and Chad Stephenson and Jacob Tucker served as Voting Delegates. Adviser Tracy Florer and Guests - Korbin Florer, Phillip & Sheila Crawford, and Angie Gintonio were also in attendance at the National Conference.

In addition to the competitive events, the conference hosted exhibits, workshops, national officer elections, and other recognition ceremonies. Bracken County FBLA was recognized for being a Gold Seal Chapter, based on their activities and accomplish-

ments for the past year, and was one of only two schools in Kentucky named an Outstanding Chapter as well.

The group was fortunate to experience some sight-seeing while in Anaheim. They toured Hollywood, Los Angeles, Newport Beach, Balboa, Downtown Disney, and the Santa Monica Pier. The group also spent one day at Disneyland and California Adventure...a first for all the students!

Bracken County FBLA definitely “Ignited Innovation” while in Anaheim, California at the 2013 National Leadership Conference and plan to “Aim for Excellence” this year as well!

Best Hospital in Kentucky

St. Elizabeth Edgewood

At St. Elizabeth, we continually focus on providing excellent care. From our partnership with the Mayo Clinic Care Network to our 2013 *U.S. News & World Report* rankings, we are proud that the care we provide to our community is among the best anywhere, locally or nationally.

In addition to St. Elizabeth Edgewood being ranked the best hospital in the Commonwealth, St. Elizabeth Florence and St. Elizabeth Ft. Thomas were ranked in the 95th percentile of all hospitals in Kentucky. Florence was deemed high performing in Pulmonology and Ft. Thomas high performing in Urology.

St. Elizabeth Edgewood also earned “high-performing” designations in 11 specialties: Cancer, Cardiology & Heart Surgery, Diabetes & Endocrinology, Gastroenterology & GI Surgery, Geriatrics, Gynecology, Nephrology, Neurology & Neurosurgery, Orthopedics, Pulmonology, and Urology. All of these distinctions demonstrate our commitment to delivering excellent care.
